A preschool-aged child (preschool is free of charged)

My child needs	Early childhood education and care extent Hours/week (Hours/month)	Percent of a fee for full time
	0–20 hours/week (max 86 h/month)	60 %
	20–25 hours/week (max 107 h/month)	70 %
	25–35 hours/week (max 150 h/month)	80 %

The fee is based on a written agreement about the need for early childhood education. The times for presence and absence are notified electronically on Monday two weeks before the actual need.

The need is followed up for a period of three months, and then the agreement can be changed so that it corresponds to the need. When calculating the average time the child participates in early childhood education per week, the time reserved for early childhood education during a calendar month is taken into account.
